

AUDIO DE CALIDAD Y CONSCIENTE

THE HOUSE OF MARLEY desarrolla productos de audio de alto rendimiento con materiales conscientes, incluyendo bambú, madera explotada sustentablemente, algodón orgánico y fibras de plástico reciclados.

“THE HOUSE OF MARLEY está construida bajo principios de calidad superior, sustentabilidad y compromiso con causas benéficas. Buscamos proveer experiencias más profundas y con un mayor sentido que finalmente traen como consecuencia cambios positivos”.

THE HOUSE OF MARLEY es parte de la categoría “Materias primas conscientes” de + Verde debido a sus materiales ya sea de origen reciclado, reciclables o producidos de forma amigable con el medio ambiente. Además, por cada compra de sus productos se apoya la reforestación global a través de la iniciativa onetreeplanted.org.
